RE: RECOMMENDATION

Dear Recognition and Accreditation Program Coordinator:

I ask the Board of Immigration Appeals to please grant Mrs. Zora Moses agency staff accreditation pursuant to 8 CFR, Section 1292.2 (d). Orpe Human Rights Advocates is a recognized tax-exempt Charity recognized with agency at 5457 Twin Knolls, Suite 300, Columbia, MD 21045.

During the course of her professional activities at OHRA, our associates immigration specialists have confirmed that Ms. Zora has a vocation of helping distressed immigrants and has strived to acquire sufficient knowledge and experience with immigration law and practice. She is of a good moral character, and merits partial accreditation. She has been employed at Orpe Charity since November 2018 starting in our Refugee Resettlement and Placement Program. Her responsibilities expanded to include guiding clients who have immigration issues and helping low-income file pro se forms. Ms. Zora is a bilingual in both 3 languages English, Portuguese, and Spanish. She has a strong work ethic and a caring, compassionate nature to responsibly assist the many people needing these services.

Ms. Zora has been diligent in pursuing immigration training opportunities and has assisted many clients with various immigration forms, as detailed in the attached resume. Please note that, in accordance with Matter of Central California Legal Services, Inc., 26 I&N Dec. 105 (BIA 2013), Ms. Zora has recently completed a formal training course designed to give new practitioners a solid overview of the fundamentals of immigration law and procedure. The course was entitled, "Introduction to Immigration Law Practice: A Course for New Practitioners" and was completed on (date). The Course was administered by American Association for Immigration Lawyers (AILA). Copies of the training agenda and certificate of completion are attached.

Thank you very much for your fair and rapid consideration of my request on behalf of Orpe Human Rights Advocates.

Sincerely,

Lauren Tephabock,
Director of Immigration
